CONTAINERS FOR CHANGE

Your 10c containers can make a huge impact for our school

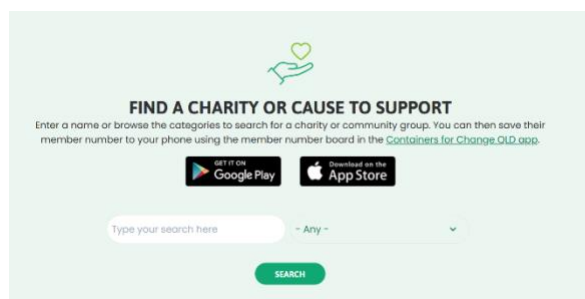

Our school is excited to be taking part in the Containers for Change program!

We invite you to support our school fundraiser by collecting eligible containers and donating them to our school using our member number. Every container you donate will not only help reduce waste in our community but also directly support programs and opportunities for our students.

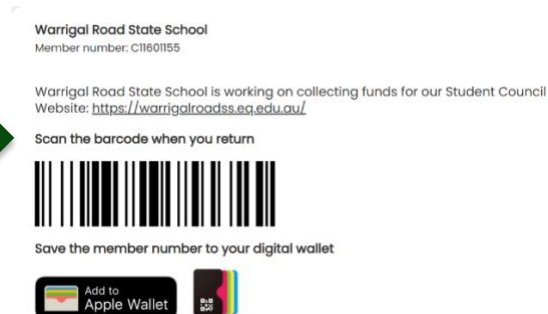

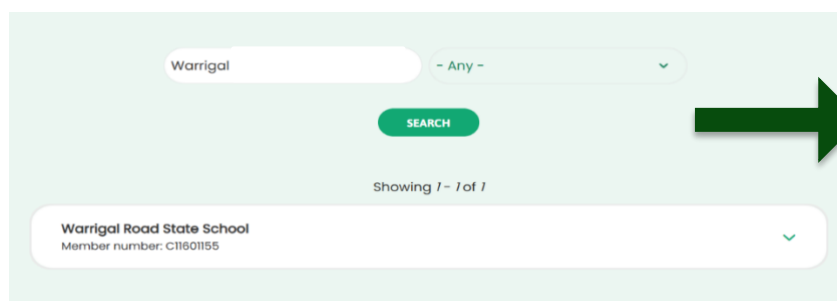

This is a simple way we can all work together to make a big difference! We truly appreciate your support and look forward to seeing the positive impact of our community's efforts.

Steps to donate to Warrigal Road State School:

1. Visit <https://www.containersforchange.com.au/qld/donate-your-refund> then scroll down and look for charity or cause to support:

2. Type Warrigal in the search bar, then click search. Click on the part that says Warrigal Road State School – Member number C11601155. You'll then have the option to add this to your phone wallet:

Thank you for your support. We all appreciate it!
